

**CLASSIFIED**

**WHEREAS**, the Salvation Army (hereinafter “The Army for Christ Currently Without Weapons”) has not been allowed to carry weapons as a result of certain prolonged, unfortunate, and subsequently mischaracterized, accidental deaths, such as the demise of 345 unsaved Christ-hating civilians who threw themselves in the path of The Army for Christ Currently Without Weapons’ muskets and cannon balls in 1887 (hereinafter the “First Mistake”);

**WHEREAS**, The Army for Christ Currently Without Weapons was involved in the accidental deaths by gunfire, maiming, lynching, disembowelment, mayhem, burning and torture-that-went-a-small-step-too-far against unbelievers (and those whose belief was not convincing) from the years 1888 through, and including, 1905 (hereinafter “Other Mistakes”);

**WHEREAS**, as a result of the First Mistake and the Other Mistakes, Congress rashly passed an ill-considered bill depriving The Army for Christ Currently Without Weapons of all of its rights to arm its warriors for the Lord Jesus;

**WHEREAS**, as a result this act of Congress (hereinafter “Christian Persecution”), the Army for Christ Currently Without Weapons spent the better part of the past century deprived of armaments, and therefore, feeling like a bunch of post-war emasculated Japs; and

**WHEREAS**, no “army” worthy of that name should ever be without lots of cool weapons to kill folks they don’t like.

**WHEREAS**, our Lord and Savior Jesus Christ said He had not come in peace, but with a sword (*Matthew 10:34*), so there is little point in ever asking yourself “What would Jesus do?” if you don’t have a sword to follow-through with the answer to your question.

**WHEREFORE**, it is agreed by all that The Army for Christ Currently Without Weapons will be allowed to immediately rearm (hereinafter “Salvation Army”) and have access to all of the military technology that those little red pots in front of department stores can buy.

**WHEREFORE**, the Salvation Army shall be entitled to a 10% “Most Favored Domestic Cult” discount on all rocket-launchers, guided missiles and aircraft carriers. Said discount is not to be used in conjunction with any other Pentagon promotions, is void on “Buy One Get One Free” Wednesdays, nontransferable, does not apply to Internet armaments purchases, and cannot be applied to unadvertised prices made available by the CIA to unstable dictatorships with oil and/or drug money in Latin America.
